CORPORATE ANNOUNCEMENT

Atishay Limited has won the project for Providing Technical Support Services for Rajasthan UID (Aadhaar) Project

Mumbai | June 21, 2018

Atishay Limited has won the project for providing Technical Support Services for Rajasthan UID (Aadhaar) project through Open Competitive Bidding (through e-Tender).

We have to deploy technical resources at client side (at Department of Information Technology & Communication, Jaipur). The deployed resources will provide proactive assistance to the concerned officials for successful implementation of UID technical projects in Rajasthan state. The broad responsibilities of the team would include implementation support in Aadhaar based service delivery to various departments and their operation and maintenance. The brief activities to be carried out are as follows:

- eKYC Authentication framework
- Digital Payments – Mobile device management, Mobile threat prevention, Management of PoS application
- Biometric Attendance System
- Rajasthan UID Portal
- Security guidelines – ensure Aadhaar project meets security guidelines
- Data Centre Operations and Development of Aadhaar Enabled Departmental Applications
- Aadhaar based service delivery – support various sub-AuA's
- Development of Mobile App for various applications
- Implementation / Operations & Maintenance of various new guidelines as issued by UIDAI

Other Association with UIDAI:

Atishay Limited has been a frontier in providing Aadhaar Solutions to the citizens and Government organizations. Adding this prestigious project to our portfolio, we have strengthened our position as a premier e-Governance Solution Provider. Following are the highlight of projects executed for UIDAI by Atishay Limited:

- **Enrolment Agency:** Atishay Limited have enrolled more than 62 Lakh citizens across Madhya Pradesh, Rajasthan, Maharashtra, Gujarat, Uttar Pradesh and Bihar.
- **Aadhaar Seeding:** Atishay Limited have linked Resident data under National Population Registrar (NPR) with their respective Aadhaar Number.

Total price consideration for the Project is - One Crore Thirty-Nine Lakhs Seventy-Five Thousand Nine Hundred and Twenty Only (Rs. 1,39,75,920/-)
